- Manufactured in the U.S.A. by Dayco® and Carlisle®

Save up to 50% OFF OEM!

Trimmer Line Spool Holder

Order No. LH-1
\$27.95

- Holds most spool sizes
- Accepts the most popular sizes of trimmer line spools
- Neatly stores trimmer line out of the way, yet accessible

Tension on the spool prevents line from unwinding until you need it. Easily installs on any trimmer rack or just about anywhere else you may need it.

Don't Get Burned by the Competition!

Fire Optimum® Trim Line, Round Optimum® Trim Line and Square Optimum® Trim Line are specially designed to meet the demands of professional landscapers.

Unique formulation eliminates line welding and fraying.

This allows for smoother operation of manual and bump feed trimmer heads.

\$39.95

5 LB TRIMMER LINE SPOOLS ARE YOUR BEST VALUE!

TWO CYCLE OIL SMOKELESS OIL WITH FUEL STABILIZER

Safe for the environment and the equipment operator because it eliminates exhaust smoke. The elimination of exhaust smoke also significantly reduces cylinder deposits, ring coking, exhaust port clogging, piston scuffing, plug fouling, rust and corrosion, and increases engine life.

Order No. 10624
\$39.95 Case of 24

Case of 24
