Intermix
by J. Thomas Lubricants

2 Cycle Oil

Smokeless Intermix® Oil with Fuel Stabilizer

Safe for the environment and the equipment operator because it eliminates exhaust smoke. The elimination of exhaust smoke also significantly reduces cylinder deposits, ring coking, exhaust port clogging, piston scuffing, plug fouling, rust and corrosion, and increases engine life.

Case of 24 – 6.4 oz. Bottles

One bottle mixes 2.5 gallons of gas
One case mixes 60 gallons of gas
